

CAREER FAIR

TUESDAY, MARCH 6 | EXECUTIVE BANQUET HALL

The Annual Science & Technology Career Fair highlights Delaware area employers who are seeking exemplary candidates in search of new career opportunities. Interested job candidates will be able to meet with science and technology companies from the tri-state region. Hiring opportunities will be available for full-time, part-time and internship roles. This event is designed to bring a pool of qualified candidates together with outstanding organizations in need of personnel.

Who Should Sponsor?

Organizations seeking to highlight themselves and their career opportunities to hundreds of science and technology job seekers.
